**The HOME SHOW** is an IABA event. The IABA is a non profit trade organization represent-  
ing professional builders, related trades and associates within the building industry.  
The Association’s mission is to promote safe, durable and affordable housing while  
coordinating all fields related to the building industry for the benefit of our community  
and the industry as a whole.

For information about the Association please call Sandy Fish 455-6650.
